

Tutoring with Your Writing Teacher Donna Samudio, B.A., M. A.

Individual instruction is an excellent way to improve a student's writing skills quickly and efficiently. With Tutoring, your student will experience---

- Intensive instruction
- Writing practice
- Instant feedback
- Grammar and punctuation help
- A variety of topics and approaches

Each 60-minute session includes exercises, writing practice, feedback, and a homework assignment. Ms. Donna works to understand your specific goals for your student and provides individualized instruction to meet them. Many students make rapid progress.
