

Tutoring with Your Writing Teacher Donna Samudio, B.A., M. A.

Individual instruction is an excellent way to improve a student's writing skills quickly and efficiently. With Tutoring, your student will experience---

Intensive instruction	Writing practice
Instant feedback	Grammar and punctuation help
A variety of topics and approaches	

Each 60-minute session includes exercises, writing practice, feedback, and a homework assignment. Ms. Donna works to understand your specific goals for your student and provides individualized instruction to meet them. Many students make rapid progress.

To inquire about tutoring for your child, contact Donna by using the contact page on the website: www.yourwritingteacher.com.

Sessions can meet weekly or bi-weekly.
