

Tutoring with Your Writing Teacher Donna Samudio, B.A., M. A.

Individual instruction is an excellent way to improve a student's writing skills quickly and efficiently. With Tutoring, your student will experience---

- Intensive instruction
- Writing practice
- Instant feedback
- Grammar and punctuation help
- A variety of topics and approaches

Each 60-minute session includes exercises, writing practice, feedback, and a homework assignment. Ms. Donna works to understand your specific goals for your student and provides individualized instruction to meet them. Many students make rapid progress.

Pricing per one-hour session, either in person or online

One student	\$50
Two Students same session	\$75

Sessions can occur weekly or bi-weekly. In the case of bi-weekly sessions, the student will have assignments due during the “off” week. They will submit their work via text, email or through google docs.
